GRANT OF EASEMENT

Western Interceptor (Sanitary Sewer Line) Division IV
Temporary and Permanent Easements for Parcel 18, 18A, & 18B

THE STATE OF INDIANA, IN TRUST FOR THE TRUSTEES OF PURDUE UNIVERSITY (the "Grantor"), by THE TRUSTEES OF PURDUE UNIVERSITY, a body corporate created and existing under the laws of the State of Indiana, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt whereof being hereby acknowledged, does hereby give, convey, and grant unto CITY OF WEST LAFAYETTE of Tippecanoe County, State of Indiana, and to its successors and assigns, (collectively, the "Grantee") a permanent and perpetual non-exclusive easement and right, to install, construct, operate, patrol, maintain, repair, revise, supplement, remove, and replace one (1) sanitary sewer pipeline (the "Easement"), in, upon, along and over certain strips of land situated in Tippecanoe County, Indiana, more particularly described in Exhibit A and shown on Exhibit B (the "Easement Area").

Further, the Grantor, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt whereof being hereby acknowledged, does hereby give, convey, and grant unto the Grantee a temporary, non-exclusive easement and right, for use and aid in the installation and construction in connection with the Easement (the "Temporary Easement;" collectively, the Easement and the Temporary Easement are referred to as the "Easement"), in, upon, along and over certain strips of land situated in Tippecanoe County, Indiana, more particularly described in Exhibit A and shown on Exhibit B. The Temporary Easement shall expire in effectiveness upon the date the one (1) sanitary sewer pipeline has been constructed and all necessary clean-up, site leveling, and construction site work in the Easement Area and the adjoining lands of the Grantor has been completed pursuant to the terms and conditions of this Grant of Easement.

This Grant of Easement (the "Grant") is subject to any and all existing easements, rights-of-way, and other restrictions of record.

The Grantor further grants to the Grantee the right of ingress and egress to and from the Easement Area over the adjoining lands of the Grantor for all purposes necessary and incidental to the exercise by the Grantee of the specific activities authorized herein.

Subject to the provisions hereof, this Grant shall constitute an immediately effective easement.

This is a NON-EXCLUSIVE Easement, and the Grantor reserves the right to grant similar easements to parties other than the Grantee so long as the use of the Easement Area by the Grantee as permitted hereunder is not unreasonably restricted.

The Grantor represents and warrants to the Grantee that the Grantor is the true and lawful owner of the Easement Area and has full right and power to grant and convey the rights conveyed herein subject to any and all easements, rights-of-way, and other restrictions of record.

The Grantor reserves the full use and enjoyment of the Easement Area not inconsistent herewith. The Grantor reserves the right to construct irrigation systems, parking lots, streets, sidewalks minor structures not including buildings that would not materially impede access for maintenance, and utilities across, over and along the Easement Area. The Grantor may, as a courtesy, advise the Grantee regarding improvements in the Easement Area and when other "uses" in the Easement Area are approved by the Grantor.

The Grantor may, at any time at its expense, relocate the Easement Area or portions thereof and any utilities constructed thereon, after approval of such plans and construction by the City, which approval shall not be unreasonably withheld.

The Grantee's installation, construction, patrolling, maintenance, repair, revision, supplementation, removal, and/or replacement of the sanitary sewer pipeline in the Easement Area (collectively, the "Grantee's Work") shall be done as to have a minimal impact on uses of and improvements in the Easement Area and the adjoining lands of the Grantor. The Grantee shall notify the Grantor in writing at least thirty (30) business days prior to any regular Grantee's Work, as well as exercise of its right of ingress and egress to and from the Easement Area over the adjoining lands of the Grantor in connection with the Grantee's Work. The City will notify the Grantor as soon as possible of any emergency Maintenance Work. Except for any emergency Maintenance Work, advance notice shall include engineering plans for the Grantee's Work and the Grantor may request any reasonable modification to them that is in accordance to protect the integrity of the Easement Area and adjoining lands of the Grantor, and minimize impact thereon. The timing of regular Grantee's Work shall be conducted in coordination with the Grantor as to avoid interference with the Grantor's uses of its property. The Grantee must be accompanied by a representative of the Grantor during the Grantee's Work, other than (a) during the initial construction of the sanitary sewer line, and (b) during emergencies. The Grantee agrees that the sanitary sewer line in the Easement Area shall be maintained at the depth provided in the plans and specifications for the original construction and installation of the sanitary sewer pipeline which were approved by the Grantor and the Grantee.

The Grantee shall be responsible for any and all cost and expense to restore the Easement Area and the adjoining lands of the Grantor disturbed by the Grantee to the condition it was immediately prior to being disturbed by the Grantee.

Also, the Grantee shall be responsible for the cost and expense of any damage if the Grantor is prevented from use of the Easement Area and the adjoining lands of the Grantor due to any Grantee's Work. The Grantee shall pay the Grantor for any and all such costs and expenses within thirty (30) days of the Grantor's written demand for payment.

The Grantee may not remove or trim any trees, brush, or other landscaping in the Easement Area and the adjoining lands of the Grantor without the prior written consent of the Grantor, which shall not be unreasonably withheld.

The Grantee shall and will indemnify and hold the Grantor harmless from and against any and all damage, injuries, losses, claims, demands, or costs resulting from the Grantee's Work in the Easement Area and the adjoining lands of the Grantor by the Grantee, its agents, representatives, employees, contractors, or invitees.

If the Grantee no longer uses the Easement Area and is requested in writing by the Grantor, the Grantee will restore the area to a condition similar to when the Easement was first granted.

In the event either party will be compelled to employ an attorney to enforce the provisions of this Grant, the parties agree that the non-defaulting party will be entitled to all of its legal costs and expenses, including reasonable attorney fees, incurred thereby.

This Grant is binding upon and shall inure to the benefit of the heirs, successors, assigns, and licensees of the parties hereto. The Grantee may only assign this Grant with written approval of the Grantor.
